

What if I'm not able to shop myself due to a medical condition or handicap?

The entitled person can appoint a **Shopping Assistant** in case additional help is needed due to **medical conditions**, a **handicap status** or an **existing custodianship**. This person can shop and/or register on behalf of the entitled person.

Please provide following documentation if you wish to apply for a shopping assistant:

- **Written request for Shopping Assistant Authorization, dated and signed by the retiree, widow(er) or UD**
- **Certificate proving that the retiree/widow(er) or UD is medically incapacitated or under custodianship.**
- **ID card, passport or Personalausweis with valid residence permit of retiree, widow(er) or UD.**
- **Passport / Personalausweis of designated Shopping Assistant with valid residence permit or other immigration documents.**

On receipt of the AE Form 550-175K the shopping assistant will take the form to the local German customs office and a Pink Card will be issued with the remark "Erfüllungsgehilfe". Remember that the shopping assistant is only shopping on behalf of the entitled person and not also for themselves.

All forms will be issued on a walk-in basis.
