

U.S. military and civilian component personnel stationed in Germany may apply for a “Child Care Provider Authorization” at their local U.S. Army Customs Agency - Europe (USACA-E) field office for an appointed care provider during a specified time period (family emergencies, TDY, etc.).

This Child Care Provider (CCP) may be a relative, an Au-pair, or even a domestic employee (nanny) who is hired for in-home child care.

A CCP who provides gratuitous assistance, like a relative, does not have to comply with host nation employment requirements.

However, they have to follow host nation immigration laws. U.S. Citizens for example are required to obtain a host nation residence permit (Aufenthaltstitel) when staying in Germany for more than 90 days.

In Germany specific host nation requirements for employment of domestic household helpers and Au- pairs apply. Unless these specific host nation requirements are met a violation of these rules may represent illegal employment. U.S. Forces personnel considering employing a nanny or hosting an Au- pair are advised to contact the local legal assistance office or seek legal advice on the economy.

POSSIBLE SUPPORT AUTHORIZED:

Provided all supporting documents are submitted with the application, an authorization may enable the CCP to:

- Use U.S. Forces Sales Facilities on behalf of the family.
- Operate the sponsor's USAREUR-AF-registered POV(s).

NOTE: The CCP may use the sponsor's USAREUR-AF-registered POV in support of the family under the condition that they are in possession of all necessary documents for driving in Germany and covered by the sponsor's insurance. It is highly recommended to contact the German “Führerscheinstelle” (licensing office) for further guidance.

Additional information may also be found on following website:

<https://www.bmvi.de/SharedDocs/EN/Articles/StV/Roadtraffic/validity-foreign-driving-licences-in-germany.html>

NOTE: If living in Government quarters, the U.S. Forces member must get the garrison or base commander's approval.

REQUEST PROCEDURES:

U.S. military and civilian component personnel can apply for a CCP Authorization at their servicing USACA-E field office. The field office submits the complete application containing all

supporting documents to the U.S. Army Europe and Africa Customs Executive Agency (CEA) for approval. Field office personnel will need following information and documents:

(1) The applicant's full name, rank/grade, DoD ID, unit/organization address, work phone number, APO/mailing address, physical address, personal phone number, and DEROS.

(2) Documents describing the circumstances, e.g. medical statement or memorandum endorsed by a unit or rear detachment commander.

(3) CCP's copy of passport and physical address (only if not living at applicant's physical address while acting as CCP).

(4) Verification of arrival in Germany/EU (immigration stamp) and/or applicable visa documentation (i.e. for visits over 90 days).

(5) Required documents for driving in Germany, usually driver's license and International Driving Permit (IDP) valid for the period requested.

(6) If applicable, copies of the CCP's host nation residence permit (Aufenthaltstitel), work permit (Arbeitserlaubnis), and tax number (Steuernummer). Non-EU/Third country Au- pairs must provide their Au-pair visa.

(7) If applicable, copies of the sponsor's registration with German fiscal authorities

(Finanzamt) and sponsor's tax number (Steuernummer).

BASE ACCESS:

Base access can be requested at the respective Installation Access Office.

RESTRICTIONS:

CCPs do not enjoy status under the NATO SOFA and thus do not qualify for the following SOFA ILS documents:

- U.S. Forces Identification (ID) Card
- Ration Card
- AAFES/ESSO fuel ration card
- Status of Forces (SOFA) Identification Certificate
- U.S. Forces Certificate of License

NOTE: CCPs may be a DoD ID card holder if they are, for example, a reservist, National Guard member, or otherwise affiliated with the military. They must realize, however, that the mere possession of an ID card does not give them SOFA status in Germany. The cards do not entitle them to any customs or tax privileges in Germany, such as shopping at U.S. Forces Sales Facilities, purchasing tax-free fuel, etc. .
