## myAuth AND RMV ONLINE

**We're Upgrading How You Login!**

The Defense Manpower Data Center (DMDC) and RMV are excited to announce the launch of myAuth in the middle of April, a new login system designed to replace the existing DS Logon system.

**Stay tuned!**

### What is myAuth?

myAuth is a new, easier, and secure way to log in to military websites and partner applications. It replaces the old DS Logon system with a faster, more convenient Single Sign-On solution, allowing users to quickly access multiple websites with just one login. myAuth is all about making access simpler and quicker for Service members and their families.

#### Key Benefits:

- ✓ A streamlined login process that reduces the number of steps required to access military benefits and services.
- ✓ Enhanced security features to protect sensitive user information.
- ✓ A user-friendly interface that's optimized for use on a variety of devices, including desktops, laptops, tablets, and mobile phones.
- ✓ Improved customer support, including online resources.
